ADDENDUM TO GOVERNMENT'S MOTION TO
FACILITATE COURT ACCESS FOR OUT-OF-STATE VICTIM

Now comes the United States of America, by and through the undersigned Assistant United States Attorneys, and provides the following additional information with respect to its Motion to Facilitate Court Access (Dkt. No. 281). First, the defendant, through counsel, has assented to the government's motion. Second, as an update regarding the likelihood of Minor A or a family member taking advantage of the proposed video access to the sentencing hearing, the government has been informed that it is unlikely that Minor A or a family member will choose to view the hearing by video. Nevertheless, in case Minor A or a family member changes their mind and decides to view the hearing, the government respectfully maintains its request to provide this option, with the hope that any inconvenience to the Court is outweighed by the provision of this opportunity to the victim and her family, regardless of whether it is ultimately utilized.

Respectfully submitted,

RACHAEL S. ROLLINS
United States Attorney
